Hampton College

5 September 2025

Dear Parents and Carers,

Parents' Information Events 2025

We would like to invite our parents, or other family members, into school for our 2025 Parents' Information Events, which will be running in The Family Hub after school. This is an opportunity for parents and carers to learn how they can support their child at home with phonics, reading or mathematics. Information shared during the events will also be sent home for all parents, following each event.

There is no need to prebook any of the events; we hope to accommodate all interested parents in our Family Hub for each of the events. Please note if any of the events are oversubscribed; we may have to offer spaces on a first come, first served basis. Whilst children are welcome to attend, please note that each event consists of a presentation to parents, which may not be enjoyable for all children.

Thursday 11 September 2025 – 3.30pm – 4.30pm - Phonics and Reading (Rec-Year 6)
This event will explore how phonics is taught at Hampton College Primary using the Little Wandle Phonics Programme. We will also explore how the phonics skills children learn in the Early Years and KS1 set them up on a pathway to be excellent readers for life!

Thursday 25 September 2025 – 3.30pm – 4.30pm - Maths (Rec-Year 6)
This event will provide information about how mathematics is taught at Hampton College Primary and will give parents confidence to support their child's mathematical learning journey at home.

In addition, we will be holding an Online Safety Information Coffee Morning for our parents and carers, later in the year, to support with Children's Mental Health week (9-13 February 2026) and Safer Internet Day (10 February 2026).

Wednesday 11 February 2026 – Online Safety Information Session (Rec-Y6 Parents/Carers)

If you have any queries, please don't hesitate to contact the school office. We look forward to seeing you there.

Yours sincerely

PJones.

Mr Paul Jones
Head of School (Primary Phase)
