Dear Parents/Carers

Year 3 and Year 4 Christingle Service

We are very excited to announce that on Friday 5 December, Years 3 and 4 will be attending a Christingle Service at CSK Hampton Church. The children will spend the day learning about what a Christingle is and what it represents, followed by making one in class. Nearer the time, we will request that your child brings a large orange into school in order to make one.

After lunch at 1.30pm, we would like to invite one parent or carer of your child to accompany them on the walk up to CSK. Unfortunately, due to the seating capacity at the church and for health and safety reasons, we can only allow one parent or carer per child. Any additional adults will be asked to wait outside. On the day, we do request that you wait until the rest of the school have left the school premises and follow us on our walk up to the church. This is so we can ensure that those children without parents or carers are sitting at the front with members of staff from school. Once at the church, your child will be offered one of the Christingles made during the morning. We request that you sit with your child during the service and take responsibility for them when lighting the candles. The Reverend will conduct a Christingle service and the children will be invited to sing some Christmas carols. At the end of the service, you will be free to take your child home from the church and we will walk the remaining children back to school. The service should finish no later than 2.45pm and we anticipate returning to school before the end of the school day.

If you would like to accompany your child to the Christingle service, please complete the form below. This will enable us to plan how many additional adults we will need to take to the church to support children whose parents or carers are unable to attend.
