Dear Parent/Carer,

We are writing to ask for your support in completing our annual *Travel to School Survey*. This survey helps us understand how pupils currently travel to and from school each day, and it plays an important role in shaping our planning for safety, sustainability, and future transport initiatives.

Your responses will allow us to:

- Identify common travel patterns
- Review any barriers students may face on their journeys
- Explore opportunities to improve safety and accessibility
- Support active and environmentally friendly travel where possible

The survey should take only a few minutes to complete, the survey can be found on the following link. We would be grateful if you could fill in the attached survey by Friday 6th March.
