Dear Parents/Carers,

Re: Secondment opportunity at Great Haddon Primary School

As many of you will already be aware, Hampton Academies Trust (HAT) is opening a new primary school on the Great Haddon development in September 2026.

I am delighted to share with you that Mrs Stuffins, our current Deputy Head of School and SENDCo, has been appointed as the Acting Head of School at Great Haddon Primary School on a 12-month secondment to launch the newest school within our Trust.

In practical terms, there will be minimal changes to Mrs Stuffins' roles and responsibilities at Hampton College Primary during the summer term 2026. From September 2026, there will be some operational changes to Mrs Stuffins' roles at Hampton College Primary as she assumes her seconded role at Great Haddon Primary School. The first Great Haddon class will be accommodated with us at Hampton College Primary, while the trust is waiting for the building to be finished in early 2027.

Further information about how Mrs Stuffins' roles at both schools will be distributed from the autumn term will follow in due course. I would like to reassure our parents, especially those who have children with SEND, that we will keep you fully updated with any changes as they occur.

In the meantime, I am sure you would like to join me in congratulating Mrs Stuffins as she embarks on this exciting opportunity to be one of the founding leaders of this new primary school in Peterborough.

Yours faithfully,

P Jones.
