Monday, 1st June 2026

Dear Parents/Carers

Your child will begin a Year 6 project this week called **My Money Week – The Fiver Challenge.** In recent years, this has been a hugely successful initiative introduced in Year 6 which sees the children create a business from £5 and sell their product or service to create a profit that goes towards their final treats at the end of the school year.

Your child will bring home £5 to kickstart their business. This will be returned to the school from the profits made at the end of the project. In groups, they will create a business plan so that they have an idea about the items they need to buy for their products or service. For the enterprise to be a success, the children will need support outside of school to purchase the relevant items for their business. **Please let the class teacher know if this will present any difficulties as we have contingencies in place to support your child with the buying of their products if needed.**

The products must be ready for **Tuesday 23rd June 2026** as this is when we will start selling on the playground from 3:25-4.00pm. They will then have the opportunity to sell their products on **Wednesday 24th June** and **Thursday 25th June** at the Summer Fayre.

The money raised will go towards their end of Year 6 treat week and a charitable donation (both of which will be decided by the children!). Please complete the form below to confirm whether your child is able to stay behind after school Tuesday-Thursday of this week to man their stalls and sell their products. It would be wonderful to see you all there supporting too!

Year 6 My Money Week - The Fiver Challenge – Fill in form

The children are very excited about this challenge and we can't wait to get started!

Thank you for your continued support.

With kind regards

The Year 6 Team
