2 June 2026

Dear Parents/Carers

Summer Workshops – Monday 13 July 2026

We are looking forward to welcoming you to school for the return of our Summer Workshops. These sessions are a great time to come into school and enjoy some craft time with your children, without the worry of tidying up afterwards. The Summer Workshops will take place on Monday 13 July from 9am-10am and you are welcome to come into school with your child at drop off on that day. We appreciate that working parents can find attending these sessions difficult. If you are unable to attend, Grandparents, Aunties, Uncles or friends are always welcome however, please be assured that your child will still join in with the session, with a member of staff from school if this is not possible.

In order to support with registers and the running of this busy day we ask that you complete the Microsoft Form via the link below, if you are planning to attend by **Monday 6 July 2026** at the latest.

Summer Workshops - Monday 13 July 2026 – Fill in form

We have many families with multiple children in our community. To enable you to work with all your children, we are able to make space for you all to work in the same classroom. If you have a preference of which classroom you would like to work in, please indicate this on the form. If your first preference is not available, due to space reasons, we shall contact you before the event to discuss alternative arrangements.

If you have any questions regarding this event, please speak to your child's class teacher.

Yours sincerely

Mr P Jones
Head of School (Primary Phase)

Hampton College
