Dear Parent/Carer

Class allocations for next year

In order to prepare for the transition to their new year group in September, the children will participate in activities with their new teachers on **Wednesday 1 July**. The children should come into school as normal on Wednesday morning and register with their current teacher as they do every day. The children should be collected from their current year group as normal at the end of the day. Most children in year 6 will have transition events at Hampton College Secondary Phase or their new secondary school (within Peterborough), whilst the other year groups are meeting their new teachers. Any year 6 children who are not involved in secondary transition events on Wednesday should come into school as normal.

The table below shows our current classes and their teachers, as well as the classes and teachers the children will be moving to in September.
