1 July 2026

Dear Parents/Carers

Consent Update on 'My Child At School' 2026-27

We would like to take the opportunity to update our parental consents via your 'My Child At School' app or www.mychildatschool.com website for the next academic year. In addition to the parental consent for images, videos and local trips, we are also asking you to provide permission for your child/ren (in Years 4-6) to walk home without an adult. We would be most grateful if you could please log into your account and follow the instructions below:

To check and update permissions, scroll to the very bottom of the menu on the left-hand-side and click on 'Parental Consent'. Then click on the circle against each consent in either the 'YES, I give consent' or 'NO, I do not give consent' column. Please note that some of the consents are for the secondary phase and you therefore do not need to complete these. However, if you have previously done so please do not worry, they can be left as they are. The four consents for the primary phase are:

- *Images*
- *Local Trips*
- *Videos*
- *Walk Home Alone (Years 4 to 6 only)*

Click on the green Save button at the top of the screen to record your choices.

Please repeat this process for all children that you have at Hampton College Primary Phase.

We check permissions and run reports at the start of each term and we require this information prior to the children returning to school in September. Therefore the deadline for updating your permissions is Friday 7 August at 5pm. ***If you update your permissions after this deadline or at any point during next term please inform the school office as we are not automatically notified of the changes.***

Thank you for your assistance with this matter; if you have any queries, please don't hesitate to contact the school office on 01733 246821 or primary@hamptoncollege.org.uk.

With kind regards

MStuffins

Mrs Michele Stuffins
Deputy Head of School (Primary Phase)
