Dear Parents/Carers

Parents' Information Events 2026-27

We would like to invite our parents, or other family members, into school for our 2026 Parents' Information Events, which will be running in the Family Hub. This is an opportunity for parents and carers to learn how they can support their child at home. Information shared during the events will also be sent home for all parents, following each event.

There is no need to prebook any of the events; we hope to accommodate all interested parents in our Family Hub. Please note if any of the events are oversubscribed, we may have to offer spaces on a first come, first served basis. Whilst children are welcome to attend, please note that each event consists of a presentation to parents, which may not be enjoyable for all children.

Rec-Y2 Phonics and Early Reading Workshop – Thursday 1 October 2026 at 8.45am

This event will explore how phonics is taught at Hampton College Primary using the Little Wandle Phonics Programme. We will also explore how the phonics skills children learn in the Early Years and KS1 set them up on a pathway to be excellent readers for life! After a short presentation, you will be invited into your child's classroom to read with them.

We would like to invite our Year 4 parents and carers to a short information session to talk about the Year 4 Multiplication Tables Check (MTC). This is a statutory assessment to check pupils' fluency in their times tables, which will take place in June 2027.
