HAMPTON
COLLEGE

Dear Parents/Carers

New Scientist Live! Trip – Monday 12 October 2026

We are delighted to offer pupils the opportunity to attend an exciting event - **New Scientist Live! in London on Monday 12th October**.

This special event will provide children with the chance to experience science in an engaging and interactive way, taking part in a range of activities designed to inspire curiosity and develop their scientific understanding.

We will be using the Hampton College minibus, to reduce costs, therefore availability is limited to **only 10 places** for this trip. The opportunity is open to pupils in **Years 4, 5 and 6**.

Tickets are priced at £18.00 each and places will be allocated on a **first come, first served basis**, so we encourage families to secure their place on My Child At School as soon as possible to avoid disappointment.

Further details regarding travel arrangements, timings and any additional information will be shared with those who secure a place.

Thank you for your support.

Yours sincerely

MBosworth
