Hampton College

11 September 2026

Dear Parents/Carers

We are very excited to continue to promote our five PROUD houses this year.

The houses are linked to our PROUD values, have a colour attached to them and are named the following:

P - Partnership house
R - Respect house
O - Ownership house
U - Understanding house
D - Determination house

The children are all allocated to houses and will always be placed with a sibling if they have any. Staff are also allocated to PROUD houses.

The children in Year 6 have been invited to apply to become House or Vice Captains for their respective houses. If they are interested in applying for this role, they will need to prepare a short 2 – 5-minute presentation to share in an assembly detailing the following:

- Why they wish to be a House Captain or Vice-Captain
- What qualities or skills do they have to make them an effective leader of a house?
- What would they do in the role of House Captain or Vice-Captain?
- Why should the children in the house vote for them?

They will need to ensure that they are confident and engage the audience in their presentation.

The children who would like to apply for the role will need to have their presentation ready to present by Monday 12 October. They will then present these to children across the school that are in that PROUD house. After watching the presentations from their houses' applications children will then vote for their House Captain and Vice-Captain.

We are looking forward to the presentations and voting process and will announce the new House Captains and Vice-Captains in our Friday assembly and in the newsletter, before half term.

Many thanks for your continued support.

With kind regards

L Tuley

Mrs Lauren Tuley
Deputy Head of School (Primary Phase)
