Dear Parents/Carers

Van Cols Photography – Tuesday 20 October 2026

We are looking forward to welcoming Van Cols Photography into school on Tuesday 20 October 2026 to take our annual individual and sibling group photos, during the school day.

We are also pleased to be able to offer photos for siblings in Hampton College Primary and Secondary Phase between 8.00am and 8.30am on Tuesday 20 October. All siblings across both phases would be photographed on a first come, first served basis before the start of the school day. Secondary phase students would then be able to go straight to school and primary phase students would be able to stay in school until classrooms opened at 8.30am. Please can we ask that any families wishing to opt in for a primary:secondary sibling group photo between 8.00am and 8.30am email our primary phase office - primary@hamptoncollege.org.uk - before the end of Friday 16 October so that we are aware of expected numbers. Please note that photographs will not be taken until 8.00am and we cannot supervise children before this time.

Yours sincerely

Mr Paul Jones
Head of School (Primary Phase)
