Hampton College

September 2026

Dear Parent/Carer

I am delighted to extend a warm welcome to parents, carers and Year 6 pupils of Hampton College Primary Phase to our annual prospective Year 7 Open Evening on **Wednesday 23 September 2026.**

These are very exciting times for Hampton College. Our motto, 'Progress, Partnership and Pride' that encompasses strong traditional values, high expectations and excellent relationships have helped our students achieve record levels of attainment and progress over the last three years.

Since opening in 2005, Hampton College has enjoyed consistent academic success and been judged either 'Good' or 'Outstanding' in every Ofsted inspection. In our most recent inspection in June 2023, it was noted that 'Leaders continually refine the curriculum offer for their pupils, so that they can achieve well, pupils show good manners' and that 'pupils are proud to attend Hampton College'.

Format of the Evening - Hampton College Primary Phase Pupils

The evening will begin with a presentation from the Head of School, members of the Senior Leadership Team and current students, where we will share our core values and vision for Hampton College and explain how we will support your child as they move into Year 7.

Our Primary Phase students are unique in that they automatically have a place at Secondary Phase. Therefore, we are holding a separate presentation for you at **5.30pm in the Main Hall**. The presentation to our Primary Phase families will explain how the application process works for those children already part of Hampton College.

Following the presentation there will be an opportunity to walk around school and talk to staff and students about:

- Our impressive curriculum and provision for all our students
- Our exciting enrichment and extra curricular activities
- Pastoral support as pupils move from Primary to Secondary
- What it is like to be a student at Hampton College;
- Have a go at some learning activities, experiencing our impressive facilities, and tasting our outstanding food.

We are an Eco-School with limited parking. Therefore, may I kindly ask you to consider walking to the school in order to reduce congestion.

I hope that you are able to come to our Open Evening where I hope you will leave with a true flavour of what makes Hampton College Secondary Phase such a special place. You will receive a very warm welcome and I look forward to welcoming you personally.

Yours sincerely

Ms A Ford
Head of School (Secondary Phase)

Head of School (Primary Phase): Paul Jones Head of School (Secondary Phase): Alex Ford
Executive Headteacher: Helen Price
