How to measure your child for school uniform...

Chest:
Place the tape measure under the arms and measure the chest at the fullest part.

Collar:
Measure around the base of the neck where the collar sits.

Hips:
Measure around the bottom, at the fullest part.

Inside Leg:
Measure from the crotch to the top of the shoe.

Waist:
Measure around the natural waistline – where you would normally wear your trousers or skirt.

Sizing Question:
Please contact us if you have any queries with the sizing of garments.

Girls Trousers:
These fit just below the waist and are a generous fit. There is no adjustable waist.

Jumpers:
The v-neck knitted jumpers can come up fairly small in size. It would be advisable to order a size larger.

Pleated Skirts:
The skirts sits just below the waistline. Fit just below the knee to allow for growth.

Blazers:
Make sure there is "growing room" on the shoulders and arms. Blazers are machine washable at a low temperature.

Boys Trousers:
These fit true to size and have an adjustable waist.

Remember:
Choose the sizes closest to your measurements.

Don't forget!
Don't forget name labels, water bottles and mouth guards!
